Justification for City/County Splits

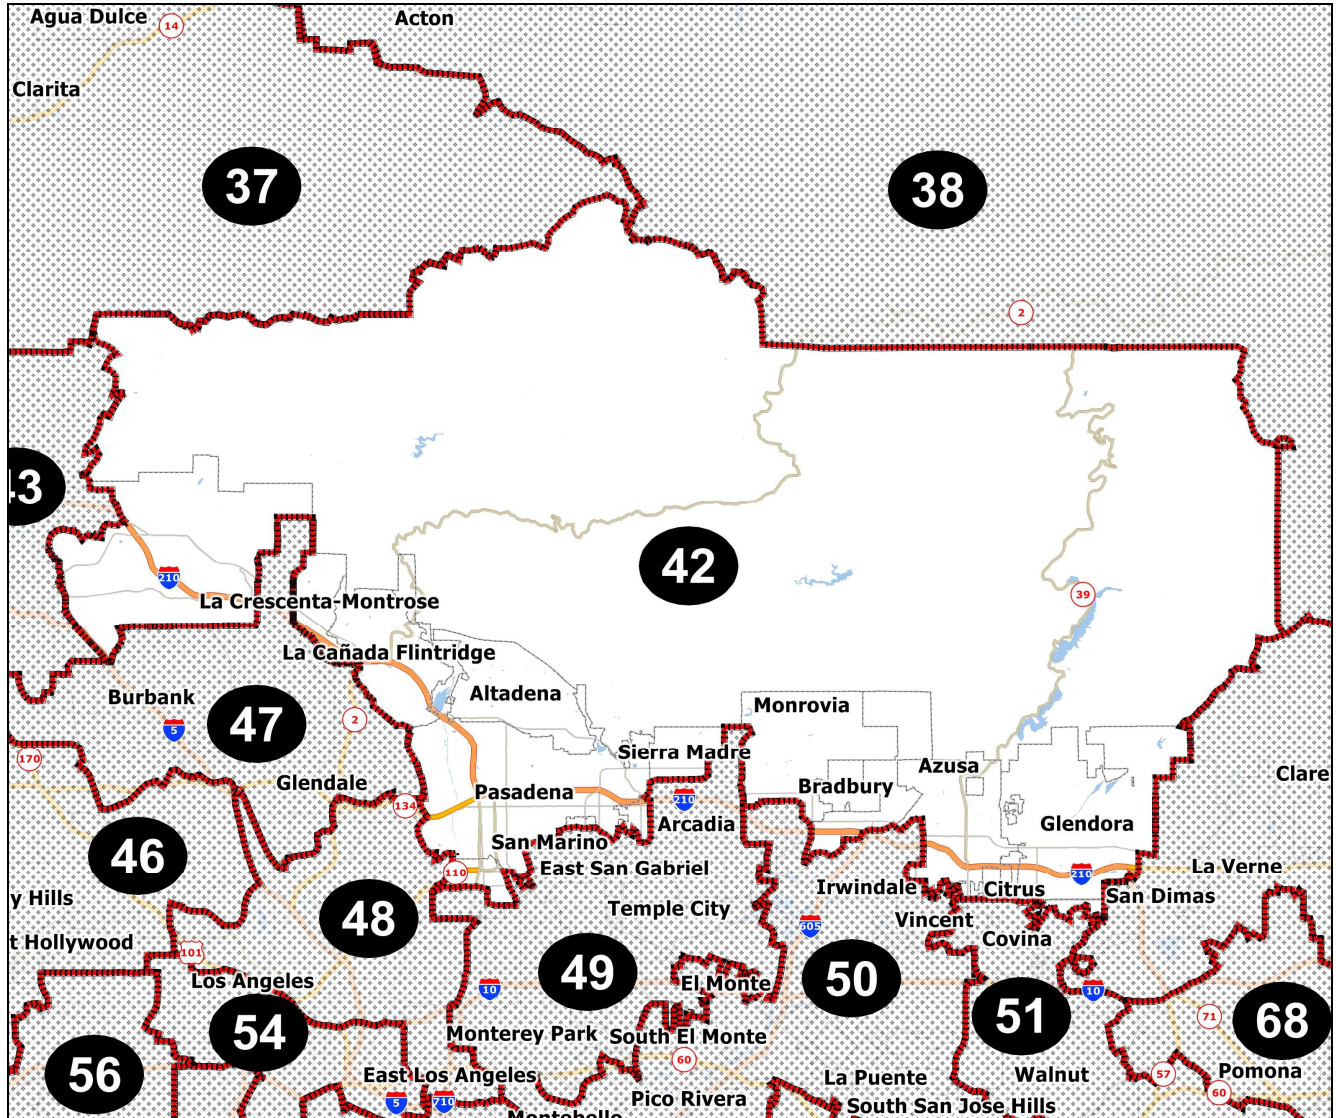

City	Justification
Los Angeles CA (part)	City's total population is greater than allowable district population.
Santa Clarita CA (part)	Non-contiguous part of Santa Clarita is included in district.
County	Justification
Los Angeles	County's total population is greater than allowable district population.

Neighborhoods/Communities of Interest: District 44 is located in Los Angeles County west of the 405 freeway and east of the 5 freeway. It is comprised mostly moderate to low-income suburban communities of the West San Fernando Valley. The City of Santa Clarita stretches into unincorporated areas to the north along I-5 and along 126 corridor to Ventura County line and also includes Santa Clarita Community College District, which stretches to the Ventura border. The district keeps together communities of interest related to recreation activities, including hunting, hiking, biking, fishing, boating, and horse riding. The district includes Santa Clara River and is surrounded by mountains.

Compactness: District is compact. (Population polygon score 0.50 or greater.)

Nesting: No Senate District proposed for this area.

Anaheim CA (part)	City is divided due to population constraints.
Industry CA (part)	Adjacent Assembly District 50 requires a portion of the city's population to fulfill Section 2 Voting Rights Act requirements.
Placentia CA (part)	City is divided due to population constraints.
West Covina CA (part)	Adjacent Assembly District 50 requires a portion of the city's population to fulfill Section 2 Voting Rights Act requirements
County	Justification
Los Angeles	County's total population greater than allowable district population.
Orange	County's total population greater than allowable district population.

Neighborhoods/Communities of Interest: District 51 unifies the Asian American community of interest in the east San Gabriel Valley consisting of Hacienda Heights, Rowland Heights, Walnut and Diamond Bar, as well as hillside communities in San Bernardino and Orange counties. Residents of this district have high rates of limited English proficiency and many are immigrants. Residents also have common educational interests, with students in the area having similar academic performance index scores. The district respects business interests around the economic corridor running along the 60 freeway, Valley Boulevard and Colima Road.

Compactness: Population polygon score is less than 0.50. Two adjacent Section 2 Voting Rights Act districts limit compactness of district.

Nesting: District is semi-nested to include most of Assembly Districts 51 and with Assembly District 63 to create Senate District 32.
